PERPETUATION RECORD:

This monument was set on the survey by Eric L. Deckard, dated 9/12/2014 (Inst. #2014014303). It is 14 feet westerly of the midpoint of a line from the pipe at R-9 (Section Corner common to Sections 20, 21, 28, & 29) and the pipe at R-13 (Section Corner common to Sections 21, 22, 27, & 28). Acceptance is supported by fence remains to the north, and a USFS reference monument found to the south. A PK nail is shown on the c.1980 USFS survey of the Southeast Quarter of Section 21 (on file in the USFS office), and an iron pipe monument is noted on the hand drawn sketch of Section 21 by Ken Anderson, dated 11-23-1982 (on file in the USFS office) at this location, but no evidence of either were found.

The record monument was found undisturbed and maintained by establishing one new bearing tree, one existing rebar was established as a reference, and one 3" pipe with brass cap was maintained as a reference.

Bearing Trees were marked with a blaze, scribed B.T., bearing tree sign, paint, and nail where permission was granted by adjoining landowner.
